

Feb 8-9th Growth Group Lesson: Romans 4:13-25

Understanding Faith Through Abraham

1. **What stood out to you most from Abraham's journey of faith?** Was there a specific moment in his life that you related to?
2. **Read Romans 4:20-21.** Abraham "grew strong in his faith" over time. What does this tell us about the nature of faith? How have you seen your faith grow through challenges?

Faith in God's Promises

3. **Abraham sometimes tried to "help" God fulfill His promises (e.g., taking Hagar as his wife).** In what ways are we tempted to take control instead of trusting God's timing?
4. **Abraham was counted as righteous because of his faith, not his works (Romans 4:3).** What does this teach us about salvation? How does this truth impact how we live daily?

Faith in Hardship and Testing

5. **Genesis 22 describes Abraham's ultimate test—offering Isaac.** What does this story teach us about obedience and trust in God, even when His plans seem difficult?

6. **Has there been a time when God asked you to trust Him in a way that felt risky or uncertain?** How did you respond, and what was the outcome?

Living Out Our Faith Today

7. **Mark 9:23-24 tells of a man who cried out, "I believe; help my unbelief!"** How can we grow stronger in faith while still wrestling with doubts?

8. **Think about one area of your life where you struggle to trust God.** What is one practical step you can take this week to trust Him more fully?
