Title: Romans: 'The Free Gift', Pt 6– “We died to sin” – Romans 6:1-11

Big Idea: Count yourself dead to sin and alive In Christ

Read Romans 6:1-11 and pray.

What in the message stood out to you?

What questions do you have?

Have you been baptized? Why or why not?

How does baptism illustrate the shift from being "dead in sin" to "alive in Christ"? Why do you think Paul uses this symbol to remind believers of their new relationship with sin?

Read Romans 6:6-7. How do we reconcile the truth of being "dead to sin" with the ongoing struggle against temptation?

What does it look like to "count ourselves dead to sin" in everyday situations? How can we practically remind ourselves of this identity when sin feels powerful?

How does the truth of being "dead to sin and alive in Christ" provide a stable foundation? What are some practical ways we can build our lives on this unchanging reality?

“Next Steps” Takeaways – Discuss and pray through the following:

With God:

- Consider when you were baptized. How have you seen God conform you into the image of Christ over the years?

With Others:

- Who are specific people in your life that help hold you accountable to the new life that you have in Christ? How have they encouraged you in your identity in Christ?

On Mission:

- How is the Spirit moving you to share this with your neighbors?
- How is the Spirit moving you to share this with the nations? Is it a Short-Term Team? Why or why not?
